

RAMTHUN FOR WI

20TH SENATE DISTRICT

FOR IMMEDIATE RELEASE

April 17th, 2024

Unfinished Business: Job's Not Done

The voice of the people supporting me in public service has not faded. Of late, their wishes came true as ACT94 and the modification of Wisconsin's Legislative maps changed everything. New maps have created enhanced opportunity to again earn consideration for a return to Madison to address the plethora of issues concerning Wisconsin residents.

For any current legislative members drawn into new Senate or Assembly Districts, paired with another member or not, does not mean they can simply acquire that new seat. New maps and with it, new district alignment, essentially means the seat is an open seat. In no fashion should the electorate within a redrawn District feel obligated to vote for a newly placed member now residing within the revised District boundary, by default or otherwise. This is the opportunity the electorate prayed for: a new choice, the best choice for whom they choose to represent needed transparency and truth within the Legislature.

A multitude of expressions statewide, concentrated primarily within my residential area central to the 20th Senate District, demanded my reengagement of, by, and for the people, has been overwhelming. Given that the Voice of the People is the Voice of God, their wishes have touched my heart. As such, with thoughtful discussion and deep prayer, it became crystal clear that action was required. It has not been an easy decision in anyway, however:

To that end, I humbly announce my candidacy for Wisconsin's new 20th Senate District in 2024.

This option is the best for the people as it provides opportunity to give the Legislature the inspiration it needs. The new 20th Senate District is comprised of municipalities within Fond Du Lac, Dodge, Washington, Ozaukee, and Sheboygan Counties. Yes, five (5) counties, a large area of citizenry seeking the capabilities and attitude about service they know I possess and have proven within multiple levels of the public service arena. Constitutional Conservative, Christian Values, Principal Conviction, Fearless Courage, Unbridled Passion to serve, Exceptional Communication and Service Skill, Leadership Skills that never waivers to status quo, a Fighter for Results, a public servant who embraces servanthood entrusted upon me by those I serve. I do so look forward to meeting and exceeding your expectations.

20TH SENATE DISTRICT

There will be an August 13th, 2024, Primary Election for the 20th Senate seat. My many friends in Cedar Grove, Belgium, Saukville, Newburg, West Bend, Jackson, Richfield, Kewaskum, Theresa, Campbellsport, Eden, and Fond Du Lac will have the direct responsibility of electing a citizen servant. Success for the people depends on the people.

It falls on you, the people, to be the ones that dictate the type of legislator you seek, the one choice, your best choice, who will help raise the bar of accountability and efficiency within the body and get the work of the people done!

Upon successful completion in the August 13th Primary, we will then move on to the November 5th, 2024, general election, a victory culmination for the people. Between now and the respective election dates, there will be ample opportunity with multiple events to meet and greet to set the priority agenda you wish to see fulfilled.
